

What's a Wine Nook?

- * Holds any 3 liter bag-in-box beverage
- * Use empty fillable bag for your own wine (holds 4 regular sized bottles!) or beverage: sangria, margarita, house cocktail (safe for liquor up to 80 proof), lemonade, etc...
- * Engrave for personal touch--great wedding or anniversary gift, company logo for events, corporate gift, real estate closing gift--the possibilities are endless!
- * Use provided chalk to write what's inside. Place ice pack on the ramp to keep chilled wine cool.
- * Use anywhere you want to beautifully display your wine and allow guests to serve themselves.

Happy Nooking!
